 **MARTEC**[®]
Exhaust

After more than five decades Martec® has become one of Australia's leading providers of cooling, lighting, heating and exhaust products. Our focus has always been on providing our customers with the highest quality, best in class and competitively priced products and solutions to suit every lifestyle.

Martec® Heating and Martec® Exhaust offer an extensive range of bathroom heaters and exhaust fans to suit any bathroom sizes and applications.

Our bathroom heaters come in a wide variety from a single heat lamp unit like Uno and Contour 1, to slimline designed 3-in-1 heaters like Linear series. Along with different IPX rating and colour finishes enable our heaters to compliment any design scheme and environment at your home.

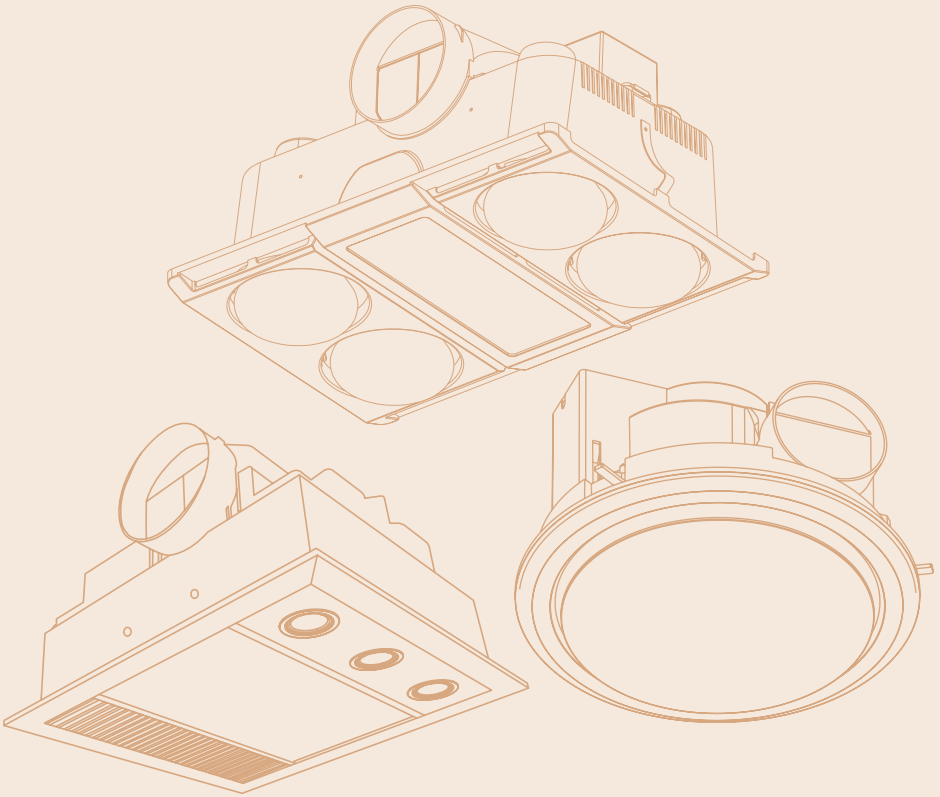

Our exhaust fans feature different sizes, IPX rating, shape and tricolour LED light option like the Flow and Saturn.

**Providing Australia
with high quality,
value for money
products for over
50 years.**

The Martec® Promise

A strong commitment to the principles of quality, service and attention to detail ensures we transform these values into unique and dynamic outcomes that are second to none. In order to attain and maintain these objectives, Martec® has implemented a quality management process and system which meets the requirements of AS/NZS ISO 9001. In summary, Martec® is committed to providing an unrivalled product and service offer to its many valued customers.
